Dorothy Wallis

President and CEO Caring to Love Ministries

3813 North Flannery Road

Baton Rouge, LA 70814

(225) 215-0004

dwallis@ctlm.org

EDUCATION

2001 – AUI

Masters in Marriage and Family GPA: 3.7
Waxahachie, Texas

1974 - Westminster College

Certified for Retail Merchandising for Management
Westminster, California

1973 - Western High School

Anaheim, California

PROFESSIONAL EXPERIENCE

Dorothy Wallis has been providing Life Affirming women's health services since 1980. In 1982, she founded the Care Pregnancy Clinic of Baton Rouge, LA. Since that time, she has developed and assisted in the establishment of Pregnancy Resource Centers and Clinics in Baton Rouge, Hammond, Lafayette, Morgan City, Alexandria, Natchitoches, and Rock Hill, South Carolina. She consults pregnancy testing centers in adding ultra-sound and medical services to Pregnancy Clinics throughout the State of Louisiana as well as nationally. Since its inception the Care Pregnancy Clinic has served over 90,000 women and insured healthy deliveries of over 72,000 babies just in the Baton Rouge location alone,

In 1986, she began the ground work for Mom's House, called House of Hope, an aftercare facility for mothers and their babies. In June 1987, House of Hope was officially opened. It became a launching pad for single mothers to become self-sufficient through education and occupational training.

In 1987, she began writing and printing pregnancy help center policy and procedure infrastructure manuals for directors and volunteers. These manuals have been sold throughout the United States, Canada and internationally to help centers stay in compliance with Best Business Practices.

In 1998, she began hosting national and state conferences for pregnancy center directors on Post Abortion Counseling for men and women suffering from *Post Abortion Trauma Disorder*. Additional subjects are *Counseling College Students*; *Cultural Behavior De-Stress your Life*; *Law, Legal Issues*; *Statutory Rape Mandatory Reporting*; just to name a few.

Project Director

About the Job

PURPOSE: Under the supervision of the Project Administrator, the Project Director is responsible for ensuring that assigned programs and services are executed in accordance with the Agency's implementation project methodology. Coordinates project activities interfacing with Project's project staff, subcontractors, professional technical service providers, clients, and other stakeholders.

ESSENTIAL DUTIES AND RESPONSIBILITIES includes the following

- Maintain project plans showing key deliverables, milestones, and responsibility for assigned duties
- Ensure that projects are proactively managed, executed according to schedules, on budgets, and issues are resolved promptly
- Provide ongoing contact with subcontractors to ensure satisfaction with assigned resources and project's progress
- Assist with preparation of initial project budgets and resource requirement for internal accounting
- Oversees preparation of monthly service billings to ensure timely submittal for reimbursement for funding Agency
- Responsible for coordinating interaction between the professional technical service team and other staff to ensure that issues affecting the implementation projects are effectively resolved
- Responsible for managing day-to-day operations including the coordination of purchasing, facilities, and personnel matters
- Assist in developing project policies, procedures and standards relating to the implementation of Agency's operations
- Assist in planning and implementation of procedural changes/modifications to the project
- Responsible for monitoring and reporting on short- and long- range project goal
- Manage information related to subcontractors' services and activities via telephone communications, written correspondence, individual interactions, internet, etc.
- Support Performance Improvement Consultant in plans for seminars, workshops, and other meetings related to program operations.
- Monitor project's overall progress, subcontractor's services, client outcomes, Agency's personnel
- Ensure proper function and maintenance of data collection systems
- Responsible for the completion of the monthly Measures of Success Reporting to the funding Agency.
- Oversee the maintenance and storage of all program documentation, records including subcontractor's invoices, purchase requisitions, travel documentation, and other files.

EDUCATION AND EXPERIENCE:

- Bachelor's degree in a related field preferred; or minimum three year of related experience
- Demonstrated human relation skills
- Effective communication skills required

In April 1989, Dorothy began hosting "Life Radio", which to present date airs daily on four local radio stations. It is heard in Louisiana; Hattiesburg, Mississippi; Mobile, Alabama; South Arkansas and East Texas.

In 1990, she authored the how-to-manual "Converting your Counseling Center into a Medical Clinic".

In 1990, she founded the first Life Affirming Medical Clinic in the nation.

In May 1990, Dorothy became the chairman of Governor Roemer's Commission on the Louisiana Adolescent Pregnancy Commission

Nationally in 1991, she was a founding Board Member of the National Institute of Family and Life Advocates (NIFLA) based in Virginia, and consulted to approximately 2500 pregnancy help centers and clinics. She is the original author to introduce Ultrasound to Crisis Pregnancy Centers around the nation and abroad.

In the summer of 1996, Governor Mike Foster appointed her Chairperson over a committee to oversee the "school-based clinics". The committee, "School-Based Health Clinic Task Force" was mandated to insure that the clinics adhere to the law and provide comprehensive healthcare for the students.

In the spring of 1999, Governor Mike Foster appointed her to the Marriage and Family Commission. She has served on the commission since its inception.

In 2001, she earned a Master's Degree in Marriage and Family Counseling form AUI in Waxahachie, Texas.

In 2004, Consultant in the Georgia Alternative to Abortion program launched under Georgia's Governor Sonny Perdue.

In late fall of 2005, Consultant to launch Florida's Alternative to Abortion with Raquel A. "Rocky" Rodriguez, Esq. General Counsel to Governor Jeb Bush of Florida.

In 2006, Texas, Alternatives to Abortion under Governor Rick Perry consultant in launching the faith based pregnancy resource center. The clear separation of services and religion while providing Alternatives to Abortion services with State and Federal funds.

As a National Conference Speaker she teaches on topics ranging from Fundamentals of *Establishing your Medical Clinic*, *Medical Clinic Best Practices*, *Fund-Raising*, *How to Survive an Audit* and *Life Affirming Comprehensive Women's Health*.

In the winter of 2008, Governor Bobby Jindal appointed her to the Marriage and Family commission.

In 2010, she became one of the founding board members of a new organization CRHS (pronounced Chris), Commission on Reproductive Health Service. How to provide non coercive Quality of Care within Medical Ethics.

In 2013, she contributed to the legal brief in the Dauggar Case in South Dakota and is still contributing

In 2015, she was the Recipient of the Angels in Adoption Award given by the Congressional Coalition on Adoption Institute, Senator Bill Cassidy.

Services Coordinator

PURPOSE: To provide the day-to-day needs of the project's administrative locations and service providers/subcontractors' program sites. Provide ongoing operational support and technical assistance to service providers/subcontractors in assessing and reviewing subcontractors' invoicing and payment records. Work closely with project staff to coordinate services and resolve issues. Provide logistical support for events and training. Provide support with internal grant management process.

ESSENTIAL FUNCTIONS, including the following,

- Assist project staff management with administrative support.
- Assist with schedules, plans, and coordination of work actions of project staff.
- Assist with the implementation of project's policies and procedures
- Completes billing processing on LCP service providers.
- Conduct audits of service providers/subcontractors' monthly invoices and make appropriate corrections.
- Resolve coding and billing errors with service providers/subcontractors.
- Prepares a billing report of all monthly Reimbursement Requests.
- Respond to service providers/subcontractors' inquiries regarding billing errors, coding and chart documentation.
- Carries out special assignments as assigned by supervisor.

EDUCATION AND EXPERIENCE:

- Minimum 2 years of business office experience, with at least one of the years preferable in a health care setting or equivalency.
- 35 WPM typing,
- Demonstrate human relation and effective communication skills.

PROBLEM SOLVING:

This position customarily operates under general supervision. The incumbent is not given authority to make a precedent setting decisions and usually refers all new or unusual situations to his or her supervisor. However, the incumbent may be called upon to use discretion and judgment in selecting a proper course of action in performing daily activities. Major challenges inherent within this position include maintaining good public relations, assuring appropriate and accurate account billing, resolving charge and coding problems, and over payments

Quality Assurance Specialist

PURPOSE: The Quality Assurance Specialist, under the direction of the Project Administrator, promotes quality achievement and performance improvement. Communicate directly with subcontractors and project staff in identifying trends, analyzing data and assuring accuracy and consistency of all reports.

ESSENTIAL FUNCTIONS, including the following:

- Facilitates Quality Assurance Monitoring of CPCS and AEQS subcontractors through analysis and observation, project reports and activities (including subcontractors' activities) to identify trends, successful practices, achievement of goals and objectives and areas needing improvement.
- Determines degree of subcontractor compliance with LPC, contract and fund source standards.
- Assist in developing policies and procedures relevant to the implementation of the QA Program.
- May assist with or conduct training for staff and/or subcontractors.
- Completes monthly monitoring, assessment and reporting to communicate trends, findings and make recommendations as appropriate relevant to the QA Program's outcomes.
- Serves as integral member of the project team, providing input based on knowledge of project activities and outcomes for continuous quality improvement and effective quality control processes.
- Demonstrates continuous effort to improve operations, working collaboratively with project team for quality seamless, customer service.
- Plans and implements procedural changes/modifications for the project.
- Maintains or oversees the procedures for the Quality Assurance documentation and reports.
- Compiles appropriate data needed for Quality Assurance Program reporting for the monthly Measures of Success Report.
- Assist in assessing the verification and accuracy of subcontractor's monthly reimbursement request documentation to ensure adherence to the established procedures.
- Coordinate the development of information and other resources to the service subcontractors within the scope of the Quality Assurance Program.
- Assist in the development of assessment tools, reports, and data collections resources for Quality Assurance Program.
- Ensures systems used in QA are properly maintained (e.g., QA audit records, training records)
- Evaluates responses to inspection reports and performs follow-up with respondents, management, or others, if needed, to ensure resolution.
- Notifies management of quality/compliance trends and service failures.
- Evaluates new subcontractor prior to site final approval and works with prospective sites to ensure timely implementation and effectiveness of corrective actions.

EDUCATION AND EXPERIENCE:

- Bachelor's degree or equivalent work experience in contracts, data analysis or related field
- Works well in unstructured environment, able to function independently and adapt readily to multiple assignments and deadlines, and ability to remain flexible and prioritize multiple tasks and deadlines
- Strong verbal, written and organizational skills and interpersonal skills
- Valid Louisiana Driver's License.
- Proficiency in the use of the Microsoft Office Suite (specifically Word, Excel and Outlook)
- Demonstrated skills in writing and communication
- Ability to travel to conduct at minimum monthly site visits to subcontractors sites and attend staff meetings and training sessions.

Financial Services Consultant

PURPOSE: The Financial Services Consultant is responsible for data entry, accounts payable, payroll, grant report entry, helping and creating organizational and program budgets in collaboration with the Project Administrator and the Performance Improvement Consultant, and other miscellaneous tasks.

Reporting to the Project Administration and serving as a member of the Management Team along with the Project Administrator, Program Director and the Performance Improvement Consultant, this position's primary responsibility is ensuring organizational effectiveness by providing leadership for the organization's financial functions. Working with the management team, the position also contributes to the development and implementation of organizational strategies, policies and practices.

ESSENTIAL FUNCTION, including the following

- Oversee overall financial management, planning, systems and controls and ensure maintenance of effective internal controls to assure safeguarding of assets and reliability of financial statements.
- Prepares monthly financial statements and ensures their accuracy and timeliness.
- Ensures compliance with any and all financial and contract reporting requirements for private or public funding.
- Attends regular meetings with Project Administrator and Performance Improvement Consultant for fiscal planning issues.
- Assist Project Administrator and Board in creating annual organizational budget and monitoring cash flow.
- Management of agency budget in coordination with the Project Administrator.
- Reviews all receipts and disbursements, ascertains correct account distribution and ensuring all support documentation is accurate and in order.
- Managing day to day processing of accounts receivable and payable using QuickBooks, producing reports as requested.
- Managing grantor and service providers/subcontractors contracts and reimbursement requests.
- Ensure that Accounting Department requests are resolved and communicated in a timely manner to internal and external parties.
- Invoicing to funding sources, including calculation of completed units of service.
- Reconciling monthly activity, generating year-end reports, and fulfilling tax related requirements.
- Payroll management, including tabulation of accrued employee benefits.
- Disbursement of checks for agency expenses.

EDUCATION AND EXPERIENCE

- Strong background and at least 3 years work experience in bookkeeping, accounting, financial management
- Excellent computer skills and proficient in excel, word, outlook, and access
- Excellent communication skills both verbal and written
- Knowledge of government contract management
- Excellent interpersonal skills and a collaborative management style.
- Budget development and oversight experience
- A demonstrated commitment to high professional ethical standards and a diverse workplace
- Knowledge of tax and other compliance implications of non-profit status

Vickie Davis

12562 N. Lake Shore Drive
Walker, Louisiana 70785
